

# FASTER, EASIER, SAFER

Cat Advansys™ Tips and Adapters

**SPECIAL OFFER**  
**FREE ADAPTERS!**

Special offer valid until 31.12.2019

Free set of Adapters when you convert from any other GET system (including Cat systems)

**The Next Generation Hammerless G.E.T. FOR MAXIMUM PRODUCTIVITY**

Cat® Advansys™ tips and adapters are built to deliver maximum productivity and the lowest bucket lifecycle cost in the toughest applications.

**ADAPTED TO FIT ANY BUCKET IN THE INDUSTRY**

**Cast retention pin means no separate retention pin to buy or lose during tip replacements.**

The tip loads on the adapter nose, never putting the cast retention lugs under stress or wear.

**Improved Tip Retention**

**Integrated Retaining Lug**

**Hammerless**  
(fast removal and installation)

**Teknoxgroup**

## Change Out Tips Quickly & Easily

Hammerless retention requires no special tools. Just turn the retainer 180° to install or remove the tips.

- 1 Turn retainer 180° clockwise to lock

- 2 Turn retainer 180° counterclockwise to unlock
